Sofiya Rangwala

Video Editor & Content Writer

Bhavnagar, India | knonkernal@protonmail.com | Portfolio: https://anti-gigachad.github.io/Portfolio.github.io/#work
YouTube: @kitchensidequest | @pagesforpeaks
Substack: @kitchensidequest | @pagesforpeaks

SUMMARY

Engineering student who edits short-form video, writes scripts and essays, and reads channel analytics to improve each upload. Runs two YouTube channels and two Substacks as working projects and builds websites with AI-assisted tools. Open to freelance video editing, writing, research, and social media support.

SKILLS

Video editing: CapCut, Kdenlive, Shotcut; short-form pacing, hooks, captions, thumbnails

Writing: scripts, essays, newsletters, poetic prose, research-based topics

Analytics: YouTube Studio retention, hook and thumbnail review, posting-time testing

Social media: consistent posting, community replies, Substack Notes, research support

Web: Framer, Google Sites, GitHub Pages, AI-assisted development; learning WordPress

Workflow: AI automation for research and first drafts, with manual review before publishing

PROJECTS

Kitchen Side Quest YouTube channel and Substack | Ongoing

- Script, film, and edit food shorts: viral recipe audits, budget cooking experiments, and recipe customizations. [N] videos published.
- Write the Substack on recipes, food science, and everyday life: 2 essays published plus regular Notes.
- Review YouTube Studio data to refine hooks, retention, and thumbnails; tested posting times and found no consistent effect on views.

Pages for Peaks YouTube channel and Substack | Ongoing

- Produced and edited cinematic mountain videos; [N] videos published.
- Write reflective essays on learning, engineering, and the outdoors for a small, engaged technical readership.

Trail for Wanderers Travel website, co-built with a friend

- Built an India travel website covering states and union territories using AI-assisted development; hosted on GitHub Pages.
- Built a separate version on Google Sites, handling layout, copy, and navigation.

EDUCATION

B.E. in ICT Engineering, Gujarat Technological University (GTU) | Expected 2028

LANGUAGES

English, Gujarati, Hindi
